Information Disclosure Statement

1. The Examiner has crossed out the reference "Transactional Memory" on the IDS dated 1/29/2007, as it did not contain a date in the citation. However, Examiner believes it is a duplicate citation of the same reference cited in the first IDS in the case, dated 8/6/2004, which did have appropriate citations, but Examiner still must cross out the reference in the current IDS for not being cited properly.

REASONS FOR ALLOWANCE

2. Examiner has entered the amendment filed 2/20/2008, as it puts the claims in condition for allowance.

3. The following is an examiner's statement of reasons for allowance: the amendments made with the after final amendment filed on 2/20/2008 have overcome the prior art, as the prior art taught one of the two reactions to encountering a fail instruction, and the claims have now been amended such that the Applicant is claiming the reaction the prior art does not teach. Additionally, with the acceptance of the Terminal Disclaimer filed 2/20/2008, the double patenting rejection has also been overcome.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
